

Our maths this term will cover the following units:

- Fractions
- Geometry: Position and direction
- Algebra
- Measurement
- Perimeter, Area and Volume
- Ratio
- Statistics
- We will continue to develop the children's arithmetic and times tables knowledge.

Our lessons will be multi-sensory using practical materials to support our learning.

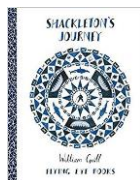

In English we will be looking at how to write effectively by focusing on

- Determiners/generalisers
- Devices to add cohesion
- Figurative language
- Coordinating conjunctions
- Subordinating conjunctions
- Speech to convey character
- Relative Clause with a relative pronoun
- Imperative verbs
- Speech to convey character
- Speech to develop story

Persuasive writing techniques:

- Rhetorical Questions
- List of Three
- Repetition for effect
- Exaggerated Language
- Structural/ Layout Devices
- Active & Passive voice.
- Formal/informal tone

Our reading books this term: **Orphans of the Tide- Struan Murray**

Shackleton's Journey William Gill

These books will be used for our guided reading and used to inspire our writing.

Could we ask that children read daily at home; if they would like to bring in their own book for our daily reading time, they are welcome to. Otherwise, they have access to the school library.

SPRING
TERM

YEAR 6 - 2022-23

As always, we are available to chat to if you have any concerns. Happy spring term! Mrs Fleming and Mrs Miley

In Art we will be exploring how artists use their skills to speak on behalf of communities. Make art about things you care about.

In DT we will focus on Electricals, Electronics and Computing by creating circuits.

PENCIL CASES:

We are happy for children to bring in their own pencil case with colouring pencils or gel pens. These will need to be small enough to fit into their drawer at the end of the day.

The focus will be 'Light' after half term we will be looking at 'Living Things and their habitats.' The children are learning how to work scientifically and record findings in various formats. We will also be carrying out some challenging STEM activities – testing our team working and communication skills.

This Spring we will be focussing on Geography. we will be developing our understanding of Trade and Economics and then use our Geographical skills to investigate 'Our Changing World.'

This term in computing we are looking at creating media – 3D Modelling

Family & Friends
Anti-Bullying
