### ITC

Play on purple mash. I have set a 'to do' for you this week!

### Reading

Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.

Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child's book band. You can create a free account at: <https://www.oxfordowl.co.uk/for-home/> Complete the linked Play activities for each book.

### Weekly project - The Very Hungry Caterpillar

The Very Hungry Caterpillar loves to eat lots of different foods. What is your favourite food?  
Draw a picture of your favourite food and write a sentence to tell us about it.

The Very Hungry Caterpillar eats 4 strawberries and 5 oranges. How many pieces of fruit did he eat altogether? You could use your fingers or draw a picture to help you.

In the story The Very Hungry Caterpillar eats some different foods each day.  
Can you remember the seven days of the week? Draw a picture or write a sentence about something you do each day.

At the end of the story the caterpillar turns into a butterfly. Can you find out what a tadpole turns into? You could use the Internet or books to help you. Draw or write your answer. Can you draw a diagram of the lifecycle of butterfly?

Try some of the different fruits mentioned in the story. Which one is your favourite? You could try some apples, pears, strawberries, oranges, plums or watermelon. You could also try some other fruits — what other fruit might The Very Hungry Caterpillar like to eat? Could you draw and label them?

Draw or paint a picture of a caterpillar or a butterfly. What colours do you need? What different parts do you need to draw? Talk your grown ups, about your picture.
