5<sup>th</sup> February 2021

Dear parents/ carers,

Happy Friday to you all, what a super day of sunshine it has been today!  
A relatively shorter newsletter this week, just a few updates and reminders.

- If you haven't already done so, please could you spare a few minutes to complete the online survey which will support the development of the School Travel Plan.

So far, there are only 15 responses, ideally I need at least 75% of the school community to respond to give a reflective view; thank you.

The link to the survey is here:

- **Snow day!** Just in case we have a rather large helping of snow on Sunday and into next week which impacts on school opening...

I will email Key Worker families and Nursery by 7.30am if we have to close, I will then update by 4pm on the same day regarding any further closure required. If we are in school and have to close early, I will email out to parents and if needed the office will call for you to collect your child/ren early.

If your child does not attend Key Worker or nursery provision, online learning will continue without change.

- **EYFS and Key Stage 1 'Road Rangers' and Key stage 2 'Safer Steps' interactive comics**

During these current times, where walking is being encouraged, the Safer Essex Roads Partnership has two on-line Road Safety interactive comics, "Road Rangers" suitable for EYFS and all of Key stage 1, and "Safer Steps" suitable for all of Key stage 2.

Both on-line comics are free of charge for use in school and to send home for parents/carers to use with their children.

The free on-line resources can be found at:
