

Wild Thaxted invites everyone to

Chalky Meadow Summer Bioblitz!

Fri 6th & Sat 7th August 9am – 3pm

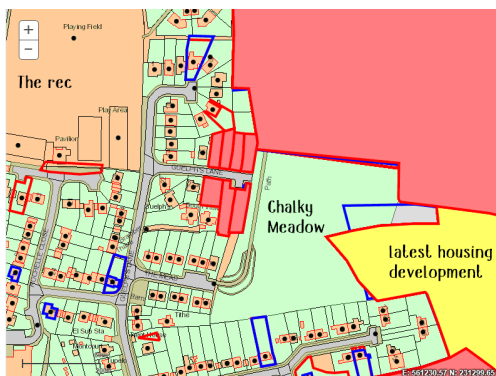

Bring a picnic and come for the whole day or drop by for an hour or two.

Bioblitz; When experts and the local community come together to explore, discover and record the wildlife on a specific area of land. Activities suitable for all ages, young and old, expert or enthusiast.

We are inviting everyone to come and meet Chalky Meadow. Wild Thaxted has been monitoring this meadow for several years, we have watched it grow into a rich and biodiverse chalky meadow – a special habitat, once common in this area.

A special invite goes out to any artists, photographers, writers, musicians or any other creatives to come help us celebrate, express and record this invaluable meadow.

**Meet on the path – you will see our table.
Any questions – message us on facebook
(Wild Thaxted) or call Helen 07714 209 384**

LET'S GIVE NATURE SOME SPACE.
