

Maths

This term we will continue with our mastering number programme where the children will explore numbers in depth. We will be matching numbers to quantities and comparing numbers. This will lead on to exploring adding numbers together to find a total! We will also be exploring shape and measurement throughout the term.

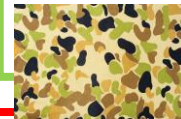

Fine Motor skills and writing

This term we will continue to work on strengthening those little fingers for writing! The children will also begin their diaries! We will be writing, drawing and talking about all of the things that we get up to at the weekend and all of the things that are special to us! We will concentrate on writing simple CVC words to begin with, labelling pictures and items in our writing.

Expressive art and design

We will explore texture and camouflage art, combining different materials to create a picture.

We will continue to learn new songs and using Charanga we will be experimenting with instruments to accompany our singing!

Knowledge and understanding of the world.

During the first half of this term we will be focussing on 'past and present'. We will look at how the world has changed. We will focus on old and new and how they are different or the same.

In the second half of this term we will focus on the natural world, looking at habitats, life cycles and how we can look after our planet!

EYFS Spring Term topics:

'Amazing Animals' moving on to 'Come outside.'
Here is a snapshot of our learning this term!

Please make sure that the children have water bottles in school everyday and that all snacks are healthy and plan based!

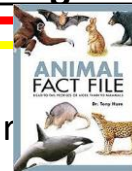

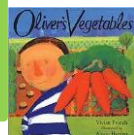

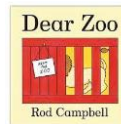

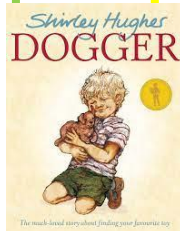

Phonics

We will continue to work our way through the jolly phonic programme. Once we have learned all 42 sounds we will then revisit all of the sounds again in order. We will continue to read CVC words and use sound walls to track the children's progress.

Stories and reading

This term we will be focussing our learning around lots of different text and stories such as Dear Zoo, Owl babies, The Tiger That Came To Tea, Dogger and Peepo for first half of the Autumn Term. In the second half of the term we will be looking at Oliver's Vegetables, the last tree and lots of non fiction books. Of course we will also be reading lots of other stories.

PSED and Communication and language.

This term will be all about following and giving instructions. We will also be story telling and turn taking. We will talk about friendships and what makes a good friend and we will also focus on taking care of each other and our classroom. This term we will also learn about teeth and how we can look after our oral health.

PE and physical development

PE days will be Thursday.
Outdoor learning will be on Monday morning.

The children will also have daily access to lots of physical development activities throughout the week.

We will also do a yoga session every Friday morning in our classroom.
