

## Maths

Our maths this term will cover the following units

- Calculating with decimal fractions,
- Fractions, multiples, and primes.
- Angles and shape.

We will continue to develop the children's arithmetic and times tables knowledge.

Using the 'maths mastery approach, our lessons will be multi-sensory using practical materials to support our learning.

## Writing

We will be rewriting fairy tales from an alternative angle – was the big bad wolf really to blame?

We will also be writing formal and informal letters, as well as a review of our school trip.

Linking with our Magnificent Mountains topic, we will write reports from Everest and write a script for a radio production.

## ART /DT

We will be studying William Morris, researching his life and influence and creating our own designs in his style.

We will also link with our 'belonging' topic and create a self-portrait art piece.

With our year 5/6 production – we will also be busy making props and scenery – always a fun and creative experience for all!

## Geography - History

We will be finishing our History topic 'Stone age and Iron Age' and enjoying our school trip that supports this topic. In Geography, we will be 'Exploring Eastern Europe' looking at climate, landscape and learning about Chernobyl and its impact.

## Grammar and Punctuation.

The following areas will be covered this term:

- Verb prefixes:
- Converting nouns or verbs into adjectives.
- Recapping and revising the years coverage.

Spelling will be taught daily, and **homework will be set weekly via spelling frame.**

## French

We will further develop our French speaking skills and focus on 'school life'.

## Music

The children will be preparing for the year 5/6 production – so lots of acting and singing this term!

**OUR TOPICS:**  
**'Belonging' followed by**  
**Magnificent Mountains**

## YEAR 5 - 2023

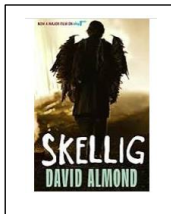

## Science

We are going to complete our learning about animal lifecycles and animal and plant reproduction. Then we will spend a few lessons ensuring that the children have achieved all of our 'Working Scientifically' objectives.

## Reading

Our reading book this term is:

Skellig and then the boy at the back of the class.

**Could we ask that children read daily at home; if they would like to bring in their own book for our daily reading time, they are welcome to. Otherwise, they have access to the school library.**

## PE

PE will be on

**MONDAY & FRIDAY**

Whereby we will enjoy

Kwik cricket, rounders, tennis, and athletics.

## RE

We will be considering the philosophical question "Is believing in God reasonable" from multiple religious and humanist viewpoints.

**PSHE:** Our topics will cover 'beginning and belonging', financial capability and SRE (sex and relationships) lessons (parent letter to follow with more detail).

**As always, we are available to chat to if you have any concerns. Happy Summer term! Mrs Brogan, Mrs Aves, and Mrs Parnell**

**Homework:** Just to remind you – this goes out on Wednesdays and needs to be in for whole class marking the following Wednesday.
